

Factory Sleeper Conversions

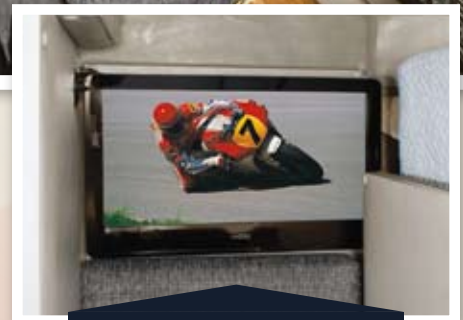

***Give Your Factory Sleeper
The Overhaul It Deserves!***

Bed/dinette in the bed position

Stainless steel sink with decorative faucet and hot/cold running water

Wide screen flat panel high definition TV with optional surround sound system!

Your Factory Conversion Specialists

ARI also offers superior craftsmanship in the factory sleeper market. We can install sinks, hot water heaters, showers w/cassette porta potti, microwaves, invertors, built in TV/DVD's, refrigerators and storage cabinets. Because we custom build all conversions, we ask that you call and schedule a time to measure up your interior cabinets and get a proper quote.
